

## Agencies Participating in Sacramento Homeless Management Information System (HMIS)

### WHO SHOULD PARTICIPATE?

HMIS seeks to collect information from all homeless service providers throughout the county. These include emergency shelters, transitional housing programs, permanent supportive housing providers, homeless prevention programs, and other service providers in contact with people experiencing homelessness, such as outreach programs and drop-in centers. In order to gain as comprehensive a picture of homelessness as possible, other agencies are strongly encouraged to use HMIS as well. These include agencies that provide housing services (transitional housing, supportive housing, emergency shelters, for instance), as well as auxiliary services (such as food shelves and outreach programs). Increased participation in HMIS will increase our understanding of clients' characteristics and needs, help us to better evaluate programs, and strengthen our efforts to end homelessness.

**AGENCIES REQUIRED To PARTICIPATE IN HMIS:** The U.S. Department of Housing and Urban Development (HUD) requires its grantees under the following programs to participate in HMIS:

- Supportive Housing Program (SHP)
- Transitional Housing Program (THP)
- Shelter Plus Care (S+C)
- Housing Opportunities for Persons With AIDS (HOPWA; grantees that specifically target homelessness are required; others are encouraged to participate)

**Other Programs:**

- Emergency Shelter Grant (ESG)
- Emergency Shelter Programs (ESP)
