

Sacramento Continuum of Care HMIS Exit Destination Guidance

The Exit Destination describes where the client will be staying after they leave the program. Destination options include:

- Permanent
- Temporary
- Institutional Setting
- Other

For clients who will be staying with family or friends, select the response that includes the expected tenure of the destination (permanent or temporary).

For rental by client and owned by client, select the response that includes the type of housing subsidy, if any, the client will be receiving.

A housing subsidy may be tenant, project, or sponsor based and provides ongoing assistance to reduce rent burden. This includes either a housing subsidy provided through the Veterans Affairs Supportive Housing (VASH) program or other housing subsidy. Other housing subsidies may include:

- HUD-funded subsidy (for example, public housing, Housing Choice Voucher or Section 8)
- Other housing subsidy (for example, state rental assistance voucher)
