**III. NOFO Application  
Review**

Homebase: Maddie  
Nation

9:10 AM  
(30 minutes)

Discussion

Maddie shared a presentation that included an overview of the HUD CoC NOFO and what the CoC consolidated application includes. She reviewed the engagement with the community to develop the application, including SPC contributions. Maddie also highlighted strengths and potential areas for further improvement. Committee Members were asked for and provided additional feedback on Street Outreach, Mainstream Benefits, and Improving Readiness for Future Public Health Emergencies aspects of the application. Comments and discussions were held during the meeting. Please see the recording for details.

<b>IV. PRC Collaboration Follow Up</b>	Scott Clark, SSF Data Analytics Manager Maddie Nation	9:40 AM (10 minutes)	Discussion
<p>Scott briefly recapped the September Project Review Committee (PRC) meeting to which SPC members were invited to participate in the conversation about Performance Targets by Sub-Population. For next steps, the PRC plans to review the targets and related data in relationship to the CoC NOFO scoring tools at the beginning of 2022 and the SPC will be involved in the discussion.</p>

# CoC NOFO Application

Systems Performance Committee

October 28, 2021

# Background on the CoC Application

# What is the HUD CoC NOFO?

- On August 18<sup>th</sup>, the U.S. Department of Housing and Urban Development (HUD) released a Notice of Funding Opportunity (NOFO), signifying the beginning of a funding competition among approximately 450 Continuums of Care (CoC).
- In Sacramento, the CoC NOFO includes funding for:
  - Tier 1: \$26,381,539
  - Tier 2: \$1,319,077
  - DV Bonus Funding: \$1,498,148
  - CoC Planning: \$791,446
- Each community is required to submit a Consolidated Application.

# What does the CoC Consolidated Application include?

- The CoC Consolidated Application is made up of three parts:
  1. **CoC Application** provides information about the CoC planning body, governance structure, overall performance, and the strategic planning process.
  2. **Project Applications** are completed in e-snaps by agencies applying for projects.
  3. **CoC Priority Listing** ranks all project applications in order of priority.
- The CoC Application includes four parts:
  1. Continuum of Care
  2. Data Collection
  3. Other Policies
  4. Domestic Violence & Attachments

# Consolidated Application: A Community Effort

Component	Partners
CoC Application	<ul style="list-style-type: none"><li>• SSF Team</li><li>• Systems Performance Committee</li><li>• CoC-funded Providers and New Project Applicants</li><li>• Systems Partners (e.g., SHRA, BHS, Youth Collaborative, etc.)</li></ul>
Project Applications	<ul style="list-style-type: none"><li>• SSF Contracts Team</li><li>• 10 Renewal Project Agencies</li><li>• 4 New Project Agencies</li></ul>
CoC Priority Listing	<ul style="list-style-type: none"><li>• SSF Contracts, HMIS, and Coordinated Entry Teams</li><li>• 10 Renewal Project Agencies</li><li>• 4 New Project Agencies</li><li>• Review and Rank Panel</li><li>• Project Review Committee</li></ul>

# CoC Application Structure

- **CoC Application** provides information about the CoC planning body, governance structure, overall performance, and the strategic planning process.
- The CoC Application includes four parts:
  1. Continuum of Care
  2. Data Collection
  3. Other Policies
  4. Domestic Violence & Attachments

# Why does our CoC application score matter?

- Each project in Tier 2 is scored using a 100-point scale:
  - **CoC Application Score.** Up to 50 of 100 points will be awarded in direct proportion to the score received on the CoC Application.
  - **CoC Project Ranking.** Up to 40 of 100 points will be assigned directly related to the CoC's ranking of projects.
  - **Commitment to Housing First.** Up to 10 points based on the project application's commitment to follow a housing first approach.

# Status Report & Drafting Strategy

# Status Report

- Homebase and SSF are working to draft and review each of the sections and attachments
- The Consolidated Application will be posted on the SSF website on 11/15.

# Drafting Strategy

- Review the **2019 application** for gaps
- Review the CoC NOFO Announcement, Detailed Instructions, and other **HUD materials** in full
  - Identify revised or new questions
- Develop a **community engagement plan** focused on:
  - Interviews with the individuals or organizations with the most insight on the gaps
  - Publicly available materials
  - Surveys to solicit feedback from a larger group when there is no single individual or organization with insight on the effort
  - Presentations to CoC Committees
- Draft a full response for additional **feedback from SSF**

# Community Engagement

- 9 survey responses from **CoC-funded providers** (focus: workforce engagement)
- 8 meetings with **SSF staff** (focus: CoC coordination, COVID-19 response, racial equity HMIS, veterans engagement, etc.)
- 7 survey responses from **Systems Performance Committee members** (focus: systems performance measures)
- 4 presentations to **CoC Committees** (CoC Board and SPC)
- 3 survey responses from **new DV applicants** (focus: need for additional DV resources)

# Materials Referenced

- 2021 HDX Competition Report
- Sacramento COVID-19 Response Team Materials
- Sacramento Continuum of Care Racial Equity Report
- Sacramento Continuum of Care Gaps Analysis
- Sacramento Continuum of Care Coordinated Entry Evaluation & Other Materials
- CoC Board Minutes & Materials (Jan. 2020 to July 2021)
- SHRA Administrative Plan & Admissions and Continued Occupancy Plan

# Other Engagement Partners

- Sacramento Housing Redevelopment Agency (SHRA)
- Youth Collaborative (Waking the Village, LSS)
- Sacramento County Behavioral Health Department
- Domestic Violence Providers Group
- Veterans Providers Group

**(Thank You!)**

# Systems Performance Committee Contributions

# Survey Responses from SPC

- 7 survey responses
- The most helpful feedback focused on new systems-wide efforts and included sufficient detail to guide our research.
- Example 1: Returns to Homelessness - Coordination on the SERA and SERA2 rental assistance program to make sure anyone in a current lease with a new financial hardship had emergency support.
- Example 2: Exits to Permanent Housing - The City of Sacramento Whole Person Care Program (Pathways) continues to focus clients with permanent housing prior to the close of the program on December 31, 2021. These efforts have been enhanced through case conferencing and housing identification efforts, as well as housing voucher processing and connections to necessary medical supportive services.

# Overseeing the CoC SPM Strategy

- In the Governance Charter, the SPC is aligned to oversee the CoC's SPMs.
- In the survey, we asked: "Who should be responsible for overseeing the CoC's strategy on this SPM?"

SPM	Suggestions for Alignment
First Time Homelessness	SPC (6), Homelessness Prevention Committee (1)
Returns to Homelessness	SPC (7)
Length of Time Homeless	SPC (7)
Employment & Income	SPC (5), New Committee (2)
Exits to PH & Retention	SPC (6), Coordinated Entry Committee (1)

# Opportunities for Additional Feedback

# Street Outreach: How has the CoC tailored street outreach to persons experiencing homelessness who are least likely to request assistance?

- Draft Response: COC TAILORS STREET OUTREACH FOR INDIVIDUALS LEAST LIKELY TO REQUEST ASSISTANCE by targeting outreach teams to populations with extreme vulnerability:
  - City of Sacramento Homeless Triage Centers, providing low-barrier housing & services . Triage Centers allow people to bring pets, stay close to family & have no sobriety requirements;
  - Hospitals contract outreach workers to engage homeless people receiving care.
  - Sacramento Homeless Outreach Team (HOT) connects homeless individuals with CoC resources as an alternative to criminal justice, including case management & transportation.
  - Sacramento City, County, & law enforcement work collaboratively to engage unsheltered populations in high need areas w/focus on connecting w/CES .

# **Mainstream Benefits and Trainings: How does the CoC provide information and training projects about mainstream resources available for program participants (e.g., Food Stamps, SSI, TANF, substance abuse programs)?**

- Draft Response:
  - Regular system-wide mailing lists
  - Relationship with SMART Team
  - SOAR Trainings
  - Providing assistance with the effective use of Medicaid and other healthcare benefits
  - Pathways to Housing + Home

# Improving Readiness for Future Public Health Emergencies: How should the CoC memorialize lessons learned from the COVID-19 pandemic to improve readiness for future public health emergencies?

- Draft Response:
  - Continued partnerships with healthcare, law enforcement, motel operators, City & County departments (Public Health), Volunteer Network
  - Established jurisdictional roles for emergency response
  - New partners were introduced to the HMIS network

**How is the application looking?**

# Strengths of the 2021 Sacramento CoC Application

- **Data Systems Performance Measures (SPM)** and other data points are trending in the right direction.
- **COVID-19 Response** Sacramento's COVID-19 Response was robust and aligned with HUD's priority areas.
- **Racial Equity** The REC's Report exceeded HUD's minimum standards and contributed to many areas in the application.
- **Coordinated Entry** The RAPS pilot and other CE improvements have been well documented and improved our responses in many areas of the report.
- **SSF Systems Insight** The SSF Team was well equipped to generate responses to questions internally and/or connect our team to the right community members.

# Areas for Further Improvement in Future Applications (1/2)

- **Data** HUD compares SPM performance locally year-over-year, so the CoC will need to sustain positive momentum beyond the COVID-19 Response.
- **SPM Strategy** Sacramento lacks community-wide coordinated strategies for each HUD SPM.
- **ESG Partners** The CoC does not currently coordinate with ESG Partners on planning or allocating ESG funds or reporting on partner performance.
- **Formal Partnerships** Ensure that formal partnerships in place related to TAY, families, and employment.

# Areas for Further Improvement in Future Applications (2/2)

- **CoC Written Standards** The CoC should complete the update of the Written Standards before the next application cycle and ensure they are in alignment with HUD expectations (e.g., Anti-Discrimination Policy)
- **Engagement of Individuals with Lived Experience**  
In 2020 and 2021, HUD has increasingly prioritized the engagement of individuals with lived experience in planning processes.
  - REC has jump-started this work, but the CoC should strive to maintain this momentum across Committees and efforts.

# Next Steps

# CoC Improvement Plan

FY2021 CoC HUD NOFO

## Policies

- Consider working with ESG recipients to adopt uniform anti-discrimination policies for all CoC and ESG subrecipients
- Check your CoC's governance charter/by-laws/policies and procedures to make sure they include language related to all of the items below. If any items are missing, schedule a meeting with the appropriate part(s) of your CoC, e.g., the Board, or the General Membership, and make sure updates to the CoC's documents are on the agenda.
  - Programs that serve youth and/or families will inform their clients that they are eligible for educational services
  - CoC-wide anti-discrimination policy ensures that LGBT individuals and families receive supportive services, shelter, and housing free from discrimination
  - CoC has reallocation process, including how to determine which projects are candidates for reallocation because they are low performing or less needed
  - Related to pandemic, CoC has protocols for addressing immediate safety needs for individuals and families living unsheltered, congregate emergency shelters and transitional housing.
  - CoC readiness for future public health emergencies
  - CoC has protocols for identifying eligible individuals and families experiencing homelessness for COVID-19 vaccination
  - CoC has protocols for responding to increases in domestic violence calls for assistance due to requirements to stay at home, increased unemployment, etc. during the COVID-19 pandemic
- Confirm that coordinated entry system protocols do the following or make plans to amend them:
  - Incorporate trauma-informed, victim-centered approaches while maximizing client choice for housing and services that prioritize safety, use emergency transfer plan and ensure confidentiality
  - Cover 100 percent of your CoC's geographic area
  - Reach people who are least likely to apply for homeless assistance in the absence of special outreach;
  - Prioritize people most in need of assistance; and
  - Ensure people most in need of assistance receive assistance in a timely manner
  - Were adjusted to account for rapid changes related to the onset and continuation of the COVID-19 pandemic

## TRAININGS

- Consider doing a mandatory (or optional) training for all CoC- and ESG-funded service providers to ensure families are not separated
- Deliver DV-related trainings for:
  - Project staff that addresses safety and best practices (e.g., trauma-informed, victim-centered) on safety and planning protocols in serving survivors of domestic violence and

- indicate the frequency of the training in your response (e.g., monthly, semi-annually); and
- Coordinated Entry staff that addresses safety and best practices (e.g., trauma informed care) on safety and planning protocols in serving survivors of domestic violence and indicate the frequency of the training in your response (e.g., monthly, semi-annually).
  - Provide annual CoC-wide training with providers on how to effectively implement the Equal Access to Housing in HUD Programs Regardless of Sexual Orientation or Gender Identity (Equal Access Final Rule) and annual CoC-wide training with providers on how to effectively implement Equal Access to Housing in HUD Programs in Accordance with an Individual's Gender Identity (Gender Identity Final Rule)
  - Provide training (or do other systemic information sharing) with CoC Program- funded projects about:
    - Mainstream resources available for program participants (e.g., Food Stamps, SSI, TANF, substance abuse programs) within your CoC's geographic area
    - Collaboration with healthcare organizations to assist program participants with enrolling in health insurance; and
    - The effective use of Medicaid and other benefits.
  - Provide training for provider organization staff on:
    - Connecting program participants and people experiencing homelessness with education and job training opportunities
    - Facilitating informal employment opportunities for program participants and people experiencing homelessness (e.g., babysitting, housekeeping, food delivery, data entry).

## STRATEGIES

- Have a CoC committee officially adopt a strategy and appoint a chairperson on each of these topics:
  - How HMIS coverage will be increased toward 85% (if less than 85%)(this bullet does not require a chairperson)
  - Reducing the number of people who become homeless for the first time
  - Reducing the length of time people remain homeless
  - Improving the rate at which people are placed into and retain their permanent housing
  - Reducing returns to homelessness
  - Accessing jobs and non-employment cash sources
  - Increasing non-employment cash income
  - Improving racial equity in the provision and outcomes of assistance (beyond just those areas identified in the racial disparity assessment)(this bullet does not require a chairperson)
- *Each of these may include additional trainings or policies beyond those listed above (e.g. re reducing racism, locating clients, housing first, etc.)*

## OUTREACH, COMMUNICATION, & COORDINATION

- Publicly invite new members to join your CoC, including especially Indian Tribes and Tribally Designated Housing Entities (TDHEs) and Organizations led by and serving Black, Brown,

Indigenous and other People of Color and LGBT serving organizations, using multiple strategies.

- Ensure that funding announcement states that new agencies are eligible for funding even if they have never received CoC funding before and post the application widely.
- Ensure effective communication with individuals with disabilities, including the availability of accessible electronic formats
- Outreach to ensure persons experiencing homelessness or formerly homeless persons are encouraged to join your CoC as well as culturally specific communities experiencing homelessness in the geographic area to address equity (e.g., Black, Latino, Indigenous, persons with disabilities).
- Consult and interact at the **recipient** level (which may mean setting a meeting) with:
  - Funding Collaboratives
  - Head Start Program
  - Housing and services programs funded through Local Government, non-CoC Federal resources, private entities, state government, HHS and DOJ
  - HOPWA
  - Indian Tribes and Tribally Designated Housing Entities (TDHEs) (Tribal Organizations)
  - Organizations led by and serving Black, Brown, Indigenous and other People of Color
  - Organizations led by and serving LGBT persons
  - Organizations led by and serving people with disabilities
  - Private Foundations
  - Public Housing Authorities
  - Runaway and Homeless Youth (RHY); and
  - Temporary Assistance for Needy Families (TANF).
- Consult with ESG recipients (not subrecipients) about allocation, evaluation, performance and provide PIT/HIC data to Con Plan jurisdictions.
- Collaborate with youth education providers; SEA; LEA; and school districts by attending SEA or LEA meetings or having representatives at CoC meetings or events.
- Work with PHAs:
  - To adopt a homeless admission preference,
  - To include PHA units in CES, to submit a joint application(s) for funding of projects serving families experiencing homelessness (e.g., applications for mainstream vouchers, Family Unification Program (FUP), other non-federal programs), and
  - To apply for or implement funding provided for Housing Choice Vouchers dedicated to homelessness, including vouchers provided through the American Rescue Plan.
- Work with affordable housing providers to establish a Moving On program
- Engage or educate local policymakers, law enforcement, or local business leaders to prevent the criminalization of homelessness in your CoC's geographic area
- Engage community partners to improve readiness for future public health emergencies
- Coordinate with ESG-CV recipients to distribute funds to address:
  - Safety measures;
  - Housing assistance;
  - Eviction prevention;
  - Healthcare supplies; and
  - Sanitary supplies.
- Coordinate with mainstream health (e.g., local and state health agencies, hospitals) to decrease the spread of COVID-19 and ensure safety measures were implemented (e.g., social distancing, hand washing/sanitizing, masks).
- Communicate with homeless service providers about safety measures, changing local restrictions and vaccine implementation.
- Partner with mainstream employment organizations to help individuals and families increase their cash income.

- Partner to access to employment opportunities with private employers and private employment organizations, such as holding job fairs, outreach to employers, and partnering with staffing agencies
- Work with public and private organizations to provide meaningful education and training, on-the-job training, internships, and employment opportunities for program participants.
- Actively coordinate with foster care, health care, mental health care, and criminal legal systems to ensure persons who have resided in them longer than 90 days are not discharged directly to the streets, emergency shelters, or other homeless assistance program
- Engage more than one person with lived experience (with experience in the past 7 years and unsheltered experience) in:
  - Local planning process
  - Revising local policies addressing homelessness related to coordinated entry, services, and housing
  - CoC committees, subcommittees, or workgroups
  - Decision-making processes related to addressing homelessness.
  - CoC's local competition rating factors.
- Work with community organizations to create:
  - Volunteer opportunities for program participants; and/or
  - Opportunities for civic participation for people experiencing homelessness (e.g., townhall forums, meeting with public officials).
- Work with provider organizations within the CoC to have incentives for employment and/or volunteerism.

## AGREEMENTS

- Establish a formal partnership with youth education providers, SEA or LEA, or school districts with written agreements (MOU/MOA) between CoC or its projects and educational entities which may include:
  - Birth to 3 years
  - Child Care and Development Fund
  - Early Childhood Providers
  - Early Head Start

## Analysis

*Note that you will request much more data to complete your application, especially related to DV but this is a list of some initial steps.*

- Use de-identified aggregate data from a comparable database to assess the special needs related to domestic violence, dating violence, sexual assault, and stalking survivors
- Request each PHAs percentage of new admissions that were homeless in FY2020 for each of HCV and Public Housing Programs and look for preferences including General or Limited Homeless Preference and Moving On Preference (documented by PHA(s) administrative planning document(s), other PHA-developed document with the written policies, or a letter from the PHA(s) that addresses).
- If has not happened in last 3 years, complete an assessment of whether disparities in the provision or outcome of homeless assistance exists and develop strategies to respond
- Analyze if CoC cumulatively reallocate at least 20 percent of its ARD between FY2016 and FY2021
- Identify both CoC- and ESG-funded facilities within your CoC's geographic area that might be out of compliance with anti-discrimination policies and requirements to ensure families are not separated and take steps to work directly with those facilities to bring them into compliance
- CoC regularly evaluates projects to ensure those that commit to using a Housing First approach are prioritizing rapid placement and stabilization in permanent housing and are not requiring service participation or preconditions of program participants.
