\*Projects automatically placed in Tier 1 because they have less than 18 months of operations data, have a HMIS project type, or a Coordinated Entry project type, per the CoC NOFO Review and Rank policies.

\*\*High performing projects automatically ranked at the top of Tier 1 due to performance metrics on housing retention/placement, income, bed/unit utilization, and grant spenddown, per the Review and Rank Policies.

\*\*\*New project grant amount reduced by \$1,099,992 in order to remain within the remaining amount of Tier 2 funding available. The units/beds currently listed do not yet take into account the reduction in funding. Updates/reductions to beds/units will be finalized after NOFO awards are announced.
