We will be voting on time sensitive Special NOFO items and as CoC Board members your vote is needed to move forward. SSF sent CoC Board members a poll yesterday to confirm availability for a 10/4/22 CoC Board meeting. **CoC Board members, please provide your availability within the poll before Tomorrow, Thur 9/15 5pm.**
- In an effort to access the materials more easily within the meeting materials packet, starting with the October agenda will have hyperlinked text within the agenda for you to click on to access the materials instantly instead of having to scroll through the packet.
- Also, at the Oct Board meeting, the new agenda item "CoC Board Member Spotlight" will be kicking off with a CoC Board member presentation after Lisa's CEO report. We plan to have CoC Board member Mike Jaske present at the October CoC Board meeting. We have a handful of CoC Board members who haven't submitted their month's preference, please submit at your earliest convenience and contact [Michelle Charlton](#) for any questions. Later this month/next month, we plan to share the Nov. and Dec. CoC Board member presenters and for a calendar for 2023 presentations.
- Lastly, the new agenda item "Partner Updates" will be kicking off as well at the Oct. Board meeting with our Partners from the City, County, and SHRA sharing updates/recent actions. This agenda item will be after the "Announcements" agenda item / before the Consent agenda items.
- Seperate from the October CoC Board meeting updates there is [CoC Demographic Survey](#) for CoC Board and Committee members to complete (due this week) per the request of the REQC. Please contact [Jillyan McKinney](#) for any questions.
