

Agencies Participating in Sacramento Homeless Management Information System (HMIS)

WHO SHOULD PARTICIPATE?

HMIS seeks to collect information from all homeless service providers throughout the county. These include agencies that provide housing services (transitional housing, permanent supportive housing, Rapid Re-Housing, emergency shelters, for instance), homeless prevention projects, as well as auxiliary services (such as food shelves, outreach programs, and drop-in centers), and other service providers in contact with people experiencing homelessness. In order to gain as comprehensive a picture of homelessness as possible, other agencies are strongly encouraged to use HMIS as well. Increased participation in HMIS will increase our understanding of clients' characteristics and needs, help us to better evaluate programs, and strengthen our efforts to end homelessness.

Agencies REQUIRED by U.S. Department of Housing and Urban Development (HUD) requires its grantees under the following programs to participate in HMIS:

- **Supportive Housing Program (SHP)**
- **Transitional Housing Program (THP) Shelter Plus Care (S+C)**
- **Housing Opportunities for Persons With AIDS (HOPWA)**
- **Emergency Solutions Grant (ESG) Emergency Shelter Programs (ESP)**
