

THE LOCAL HOMELESS ACTION PLAN PROGRESS REPORT

THROUGH JUNE 30, 2023

The Local Homeless Action Plan (LHAP) facilitates a system-focused, equitable framework using an "All In" approach. This report includes a summary of the progress made within the LHAP overall and within each of the six Core Strategies, as well as a few statistics demonstrating the LHAP's impact.

BEDS

180 new beds this fall, with another 200 under development and 200 planned

UNITS

490 new dedicated units for homeless, with 187 more planned

OUTREACH

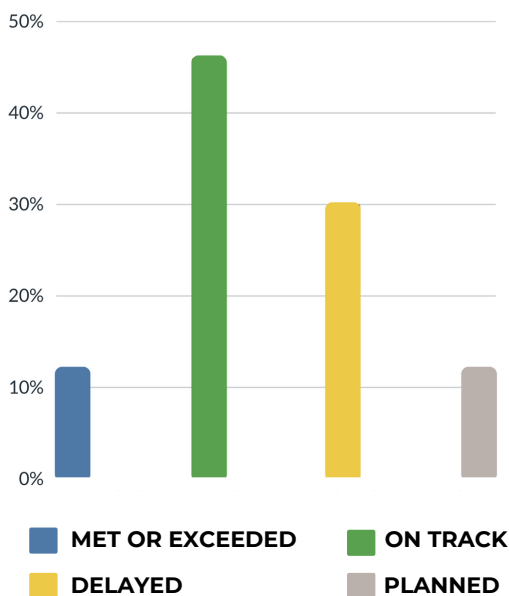

49 full-time equivalent hires for encampment engagement

PREVENTION

679 households prevented from entering homelessness

OVERALL ACTIVITY PROGRESS THROUGH JUNE 30, 2023

ACCESS

13 new Problem-Solving access points (PSAPs) established

EXPERTISE

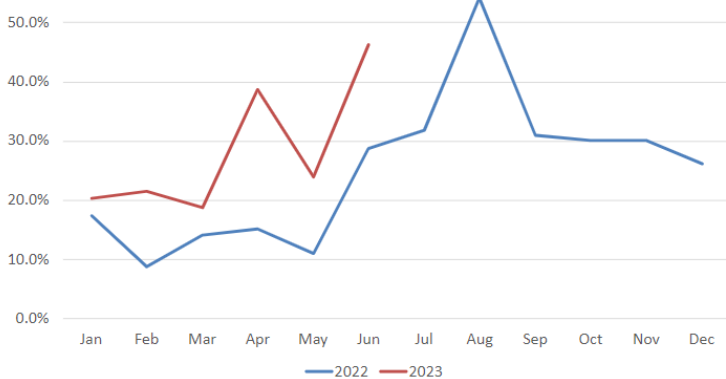

3 new housing problem solving trainers with lived expertise of homelessness
