08:27:46 From Yvette Buckner to Host and Panelists:
Something that is happening now with the EHV given through the covid pandemic to people with disabilities that had no income now are in trouble because as rent goes up the money given to pay their Smud, PGE and other utilities have lowered or are cut off and now they are at risk of being evicted because they have no income

08:40:18 From Ken Cooley (Fmr) California Assemblyman to MaryLiz Paulson, Host and Panelists:

Thank you MaryLiz.

08:40:20 From Deisy Madrigal, She/Her to Everyone:

We had a set aside to help house FYI voucher recipients. Where did that funding go?

08:41:40 From Julie Davis-Jaffe to Everyone:

Julie.Jaffe@seta.net - Community Services Block Grant funding - SETA .NET
<https://www.seta.net/programs/community-services-block-grant>

08:42:14 From Deisy Madrigal, She/Her to Everyone:

My question is for the CoC in general as we set the funds aside. Where are they? The RFP came out and was unsuccessful and we were told it would be adjusted but we never heard about it again.

08:42:16 From Ya-yin Isle (she/her), City of Sacramento to Host and Panelists:

MaryLiz, thank you for sharing the advice you have gotten in regards to the inability for SHRA to share the PII of clients with vouchers. I want to reiterate what Emily said that this information is critical to our ability to help move people into housing. We hope that SHRA will continue to have an open discussion with us about this. There was legislation passed around the sharing of data for housing purposes, which this clearly falls within.

08:43:02 From Emily Halcon to Everyone:

MaryLiz, Yesenia is not talking about folks already housed, but enrolled in a homeless RRH program and looking for housing

08:43:28 From Ya-yin Isle (she/her), City of Sacramento to Host and Panelists:

Another follow-up question. Is there an ability to freeze the vouchers rather than expiring them? If expired, could you please share with us the process clients will need to go through to get a new voucher? Will they be prioritized in the new budget year?

08:43:28 From Deisy Madrigal, She/Her to Everyone:

Landlords are also waiting months to get paid.

08:43:44 From Dawn Basciano to Everyone:

Thank you Daisy for raising this, let me see if I have the link to the regs!

08:44:35 From Emily Zelaya (she/ella) to Host and Panelists:

Daisy, I appreciate you speaking up. 🙏❤️

08:48:30 From Peter Bell (he/him) to Everyone:

@Deisy, the FYI voucher supportive service dollars is something we're planning to re-release.

08:48:33 From Deisy Madrigal, She/Her to Everyone:

If certain vouchers expire we were, we could always reapply. This is only for a handful of voucher programs.

08:49:37 From Troy Lynch to Everyone:

Deisy for FYI if we still have vouchers available for that program yes they can reapply. for waitlist HCV clients that is not an option.

08:53:02 From Deisy Madrigal, She/Her to Everyone:

Thank you, Peter. Is there a way we can prioritize getting this RFP back out to uplift the provider efforts to house these youth ASAP? Also, would these funds allow for landlord incentives?

08:53:58 From Ken Cooley (Fmr) California Assemblyman to Everyone:

Thes are links to the Homeless data bill and also to online analyses. Only the Floor analyses can be relied upon to summarize the bill as signed.
